

## Many Miles of Graveling in The East End

Assistant district engineer Pethick was in town on Thursday and reported that the road work for the season had been practically completed. The department had gravelled twenty-five miles of road this year. Next spring the main gravel gang will start with steam shovel and an outfit of trucks on the main highway west of Morricetown and will widen and gravel the road right through to New Hazelton. Sign posts have been put up as far as Morricetown from the east and now sign posts are being erected west of Morricetown. Speaking of the new road west of Skeena Crossing Mr. Pethick said that they had run into a deposit of almost perfect road material. When put on the road it became almost a cement. That deposit will be valuable on the main highway.

## CHANGE—WEST BOUND TRAIN SERVICE

Effective Tuesday, October 4th, Canadian National westbound train will leave New Hazelton daily except Wednesday at 7.51 a. m. instead of daily except Tuesday, as at present. There will be no alteration in the east-bound service—train continuing to leave New Hazelton daily except Sunday at 7.20 p. m.

## TRAIL RANGERS ORGANIZE

On Friday evening last week an enthusiastic bunch of Trail Rangers got together at the New Hazelton church for re-organization for the winter's work. Although some of the candidates are somewhat below the prescribed age to join the group, yet all were taken in, making a class of ten. Rev. J. H. Young, mentor, outlined the principles and ideals behind the C. S. E. T. movement, and exhorted the boys to measure up to the standard. The election of officers resulted as follows:—Chief Ranger, Billy Sargent; sub-chief, Arthur Willan; Tally, John Willan; Cache, John Smith. Meetings will be held every Friday night commencing at 7.30 sharp.

## Terrace Notes

The many friends of Jack Frank will regret to learn that he is at present a patient in the Prince Rupert hospital suffering from a poisoned hand.

J. K. Gordon returned last Thursday from a three week's business and pleasure trip to Seattle and other cities in the south. He also did some missionary work for Terrace.

Word has been received from Mrs. N. Sherwood that she arrived in London, Eng., on the 23rd having enjoyed a splendid voyage over.

Rev. W. A. Robinson has been invited to take the Harvest Thanksgiving services at Hazelton on Sunday. Mrs. Robinson will accompany him on the trip. The morning service in St. Matthews church here will be conducted by Mr. Sherwood and Capt. Colthurst will give a talk on the work of Canadian Bible Society. In the evening the service will be in charge of Mr. Halliwell.

Mr. Harrie of California, accompanied by Capt. Percy Tinker of Rupert spent a few days in Terrace and district the end of last week. They had some fishing at Lakelse on Sunday too.

## Mining Styles Change---High Grade Wanted

For several years past the styles in the mining world called for "big low grade propositions" by gum. Even a promoter with less than a shoe string asked for big low grade mines. The smaller appearing properties with one or more veins of high grade ore were passed up with something like a sneer. "Big low grade propositions" or nothing. The result has been that a number of shoe string outfits have undertaken to open up big low grade properties and sell stock in them, chiefly sell stock. In most cases the buyers of stock were the chief losers and the property, as a rule "did not justify further development."

But like the women's clothes, styles change in the mining world. Today a number of mining men are glad to get in touch with owners of those apparently small properties with good showings of high grade ore. A number of these have been taken up and are being worked and with success. A call is being made for more such and it looks like "mining the hills, rather than mining the public" is in style once more.

The new style will suit this district which is rich in high-grade showings. Usually those fairly small veins pay their way as development goes on and in time a real mine is developed. A number of very promising prospects in this district are available for men who know how to mine and who are not interested so much in stock selling. There are good openings all through the northern interior, and thus far the only real money that has been taken out of the hills has come from those apparently small properties.

The sooner the prospector and real mining men forget about the big capital and the seeker after low grade things the better. The big fellow does not need any sympathy and he does not have to be chased up. He knows all the time what is going on in every district and as soon as anything develops that interests him he will go in and buy, not at his price, but at the price of the owner. When the owner goes after the big fellow the shoe is on the other foot and, nine times out of ten, the owner and the district both get hurt. It is good for a district when a few prospects are taken up by men who are interested in mining for metal and not for speculation. In this northern interior there are working today the Seven Sisters group at Cedarvale, the Silver Cup, the Sunrise and the American Boy at New Hazelton and the Duthie mine at Smithers. These all indicate operations by real mining men who have definite plans to work from. With their success other properties are going to be taken up and eventually the big operators are coming in. But to get them in before their time is a fatal policy.

## THE GOGETTERS CLUB FORMED

The girls of New Hazelton met at the home of Miss Ida Schultz on Friday evening, Sept. 30, to organize a club which was named The Gogetters. The club has not affiliated with any other organization but the girls intend to follow the line of the O. G. I. T. Ten girls were present at the meeting. Miss Richardson was selected as leader and other officers were elected as follows:—President, Jessie Smith; vice-pres., Jane York; secretary, Ida Schultz. The club will meet weekly with the grand initiation this evening.

Mrs. Myros and son returned Wednesday after a holiday of two or three months.

## Time to Meet About a High Level Bridge

Since the high level bridge was under discussion last summer there has been a lot of talk, mostly idle talk, but if it is talked long enough it takes on a more serious aspect. Government engineers have condemned the high level bridge and have proposed to put up another, but not where the present bridge is. Since then owners of has-been townsite have spread rumors of various bridge sites having been accepted—all nonsense of course, but it has the effect of stirring up feeling.

Dr. Wrinch, the local member has promised that before anything is done by the government, he will call a meeting of New Hazelton citizens, as they are most vitally concerned, and place before them the reports of engineers and surveyors on the the present site and bridge and other possible sites.

The people of New Hazelton have been waiting with confidence that that meeting will be called at the earliest possible moment. It seems that there has been time enough lapsed for even government reports to be ready and the sooner the meeting is called the better. No use putting it off until a site has been officially selected and everything is cut and dried. That high level bridge is the life blood of New Hazelton and the wishes of those people must be considered irrespective of any additional costs in connection with cost of construction. These are the people who will use the bridge and the ones who have to pay for it. They want to know what the future holds out for them. It might also be mentioned that it was the owners of New Hazelton who built that bridge, and some of those owners are citizens of New Hazelton today while others are large tax payers here. The government took the bridge over, and so far as can be learned, paid nothing for it. The people would like to know what is being done about the bridge. If the old one is worn out and needs replacing any delay now is not beneficial. If it is not worn out and will serve for some years yet they should be told about it. But any change of site is a matter in which they should be taken into the fullest confidence of the government. So far as the local member is concerned the information will be forthcoming as soon as he gets it. He might, however, be able to impress upon the government the necessity for a little more speed.

## FAREWELL SMITHERS MATRON.

On Tuesday, September 27th the Ladies' Auxiliary to the Bulkley Valley District Hospital, entertained at the home of the president, Mrs. Campbell, in Smithers, at a farewell tea in honor of Miss Baker, the matron of the hospital who is leaving shortly for Vancouver. Miss Large of the hospital staff, who is leaving also, and Mrs. Rolston, a member of the auxiliary for a number of years, and who is leaving town, were also present. Mrs. Rolston will be greatly missed as she was a willing worker and a great assistance to the auxiliary. A presentation of a handsome silk scarf was made to Miss Baker as a slight recognition of her services as matron and as a remembrance of Smithers. Miss Baker feelingly acknowledged the gift and expressed her thanks.

Mrs. F. A. Goddard returned home Wednesday evening after spending the last three months in Vancouver and vicinity and in Stewart. Her health is much improved.

## Hauling Plant up, Ore Down At Silver Cup

There is great activity at the Silver Cup mine at New Hazelton. The staff has been increased to the last possible man for whom sleeping accommodation can be found. Superintendent Muerer is now doing his utmost to get more bunkhouse room provided. The erection of a building to provide for sixteen men was started on Thursday of this week and it will be put up as fast as the material can be got on the ground. A blacksmith shop is ready now close to the workings, also a drying room.

The tram has been working for some little time and bringing down ore to the lower camp and taking up building material and supplies. The ore has started coming in to town and everything is looking rosy. This week two car loads of machinery arrived for the Silver Cup and a lot of furnishings for the new bunkhouse.

## Short Stories Close to Home

On Monday evening of this week the citizens of New Hazelton in goodly numbers gathered at the home of Mr. and Mrs. Roy Guss and showered the bride with miscellaneous gifts and with good wishes. A very pleasant evening was spent.

The pole camps in the district are again showing activity and many of them are taking on men. Good pole cutters are in demand. The prospects are just as bright for the coming year as they were for the last season.

There was a good turnout of children at the New Hazelton rally day service last Sunday morning. The service was bright and beneficial. Solos were given by Miss Anna Johnson and Rev. J. H. Young.

Word has been received that the 17 Mile bridge across the Kisplox river will be built this fall. This will replace an old structure which has done its duty. The Copper river bridge, a part of the main highway and at the Terrace end, will also be proceeded with this fall and be ready for use in the spring.

Most of the road work for the season has been finished. Only a few men are left on the job. That does not mean that there is not lots of road work that needs to be done, along the line of repairs, not new work. Holes and low culverts are about as common as snow on the hill tops. The man in a motor has not a bright outlook for driving between now and next spring clean up.

Burns Lake is feeling quite chesty and proposes to put on a two-days program of winter sports including horse racing on the ice, ski jumping and races and hockey games. There will also be the usual gaities in the evenings.

The Ladies Aid of New Hazelton met at the home of Mrs. O. Johnson on Wednesday afternoon for election of officers for the ensuing year. Mrs. Sawle was re-elected president. Mrs. Senkpiel, vice-president, and Mrs. H. Thornton, secretary-treasurer.

## Wedding Bells

TURPEL-LOOSLEY

On Wednesday, September 30th, in Victoria, Dr. Turpel was united in marriage to Miss Loosley of Victoria. They left after the ceremony on a wedding tour to Winnipeg and thence to Norway House, Man., where they will make their home. Dr. Turpel will be in charge of the hospital there which is in connection with the United Church. Dr. Turpel was on the staff at the Hazelton Hospital until recently and before that practiced in Terrace so that he is well known in this district. The best of wishes are extended to him and his bride.

WRINCH-ROCK

The Hazelton United Church was very prettily decorated with cedar bows and asters when, on Wednesday afternoon, October 6, at 3.30 o'clock, Miss Briceles, Gladys Marguerite Rock younger daughter of Mr. and Mrs. Buchanan Campbell became the bride of Mr. Cooper Horace Wrinch, second son of Dr. H. C. Wrinch, M. L. A. The ceremony was performed by Dr. Wrinch, assisted by Rev. J. H. Young, and took place under a canopy of green foliage.

Given in marriage by her father the bride was attired in white, georgette, bouffant style, with rhinestone trimming and chantilly lace. The long veil, dotted with orange blossoms, was caught up by a Belgian lace coronet with rhinestones. She carried a bouquet of Ophelia roses. The maid of honor, Miss Bertha Rock, of San Francisco, sister of the bride, wore peach georgette with rhinestone trimming and a gold lace hat. The bridesmaids, Miss Jessie Moffat, Miss Vivian Chappell, Miss Mazel Cox, and Miss Isabella Richardson, were prettily gowned in the pastel shades. The flower girls, Thelma Cox, Margaret Young, Eleanor Tomlinson, Margaret Sargent and Norma Cary, were also very dainty in the pastel shades and carried baskets of flowers to match. Little Roger Walsh was ring-bearer while Master Sydney Winsby and Master Hubert McPhail were the pages carrying the bride's veil. The groom was supported by his brother, Dr. Leonard Wrinch. Mr. John Newick was usher, Mrs. Dungate presided at the organ and played the wedding march and Mrs. A. E. Falconer gave a beautiful rendering of "I love you truly," and "Because" during the signing of the register.

At the reception held in the Assembly hall, the mother of the bride, Mrs. Buchanan Campbell, received the guests, attired in figured rose chiffon with hat to match. Presiding at the tea urns were Mrs. Hogan, Mrs. Walton Sharpe, Mrs. Winsby, Mrs. Grant, Mrs. Proctor, Mrs. Cox Mrs. Chappell and Mrs. Anderson, assisted by Mrs. Wrinch, Mrs. Sargent, Mrs. Newick, Mrs. Sealy, Mrs. Young, Mrs. Ticehurst Mrs. Boden, Miss Mary Cordner, Miss Mary Sargent, Miss Francis Pratt.

The happy young couple left on the evening train for a short honeymoon trip. For travelling the bride wore a coat of brown pin point, trimmed with martin and a small close fitting hat to match. They left amid a shower of good wishes, rice and confetti. They will make their home in Hazelton.

Dr. Leonard Wrinch arrived Wednesday night and will join the staff of the Hazelton Hospital as house surgeon. He has just completed a post graduate course in a hospital in California. He was joined at Cedarvale by his brother Harold who came home for Cooper's wedding.

SYNOPSIS OF  
LAND ACT AMENDMENTS

## PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to the value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin, "How Pre-empt Land."

## PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stampage.

## HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and the land has been surveyed.

## LEASES

For grazing and industrial purpose areas not exceeding 640 acres may be leased by any one person or company.

## GRAZING

Under the Grazing Act the Province is divided into grazing districts, and the range administered under the Grazing Commissioner. Annual grazing permits are issued, based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free or partially free permits are available for settlers, campers and

LUMBERING  
MINING  
HORTICULTURE

D. A. McRae of Prince Rupert spent the week end in town closing up his brothers summer home. James McRae has gone to the coast for the winter. He was not in very good health when he left.

The W. A. of the Anglican church met this week at the home of Mrs. Farr.

The Ladies Guild met this week at the home of Mrs. T. Brooks.

Miss Deacon, who has been the guest for the past two weeks of Mrs. C. R. Gilbert, left Thursday for Vancouver where she will spend the winter.

Mrs. P. N. Monckton and family left Tuesday for Victoria for the winter.

W. Compton of Usk was in Terrace on Tuesday.

E. A. Frederickson of Dorreen was here last Monday.

Mrs. Carl Pohl entertained her Sunday school class on Tuesday afternoon at a doll party which was most enjoyable for the youngsters.

W. E. Smith received his first car of coal this week. The local consumption of coal is increasing each year.

The C. G. I. T. and the Golden Key Club with their leaders met in the United Church on Tuesday afternoon and presented their former leader, Mrs. P. Murphy with a handsome bedroom clock and silver cake plate. President Mrs. Allen spoke of the good work Mrs. Murphy had done for the young people.

The regular monthly meeting of the council of the Terrace and District Board of Trade was held on Tuesday evening when the secretary exhibited to the members the official certificate of the Secretary of State. A circular from the University of B. C. regarding extension lectures for outlying districts was read and referred to the president and secretary to be dealt with.

Mrs. Geo. Little entertained a number of friends this week on Tuesday a farewell to Mrs. H. L. Smith who leaves today for Toronto where she will visit Mrs. L. M. Montgomery, the author of "Ann of Green Gables." From Toronto Mrs. Smith will visit in Philadelphia, Nevada, California and Portland, Ore. In serving refreshments the hostess was assisted by Mrs. Brooks and Mrs. Sundal.

Mr. and Mrs. C. A. Gigg have moved into the home on Kallum Ave. recently vacated by Miss Deacon until their own new home has been completed.

Mr. and Mrs. Joe Cook have taken the house recently vacated by Wm. Vanderlip, jr.

### FAIR BOARD TO MEET

The Terrace Fall Fair Board will hold its annual meeting in Progress hall on Wednesday, Oct. 12th at 8 p. m. A good attendance is requested as this is the most important meeting of the year.

**FOR SALE—Collie pups from registered mother....Males \$6.00; females \$5.00 each. Apply to W. J. Goodwin Terrace, B. C.**

### CHANGE—WEST BOUND TRAIN SERVICE

Effective Tuesday, October 4th Canadian National west bound train will leave Terrace daily except Wednesday at 11.52 a. m. instead of daily except Tuesday as at present. There will be no alteration in the east bound service—train continuing to leave Terrace eastbound daily except Sunday at 3.08 p. m.

### BIG DAY AT LAKEELSE

A number of the local residents enjoyed a real outing on Sunday last to Lakelse Lake where they indulged in boating and fishing. Some tried a dip in the lake, but it was fairly cold for the majority. The day was an ideal one, much more like August than the end of September. Lakelse Lake has been a very popular resort the last summer and now that the road is better and with prospects for still further improvements next season, and with improvements at the Lake, that resort will rapidly come to the fore.

### LODGES AT SERVICE

The I. O. O. F. and Rebecka lodges attended a joint service at the United Church last Sunday evening. There was a large turnout of members of the two lodges and the church was filled to capacity. Rev. Wm. Allen delivered a pleasing and an appropriate sermon on Friendship in and out of the Lodge room. Mrs. S. Kirkaldy sang as a solo "Forget all Thy Sorrows", and Rev. and Mrs. Allen sang as a duet "One Sweetly Solemn Thought."

### A HOME COOKING SALE

A sale of home cooking and candy and afternoon tea was held in the United Church hall on Saturday afternoon last. There was a good attendance. The Guild Ladies are very well known as good cooks and all the home cooking and candy were quickly disposed of. The proceeds from the sale will be used in making necessary repairs to the parsonage.

### HARVEST SERVICES

Splendid Congregations at St. Matthew's Church last Sunday.

Harvest festival was honored at St. Matthews church, Terrace, on Sunday when the vicar, Rev. A. W. Robinson, officiated at both the morning and the evening services, and had excellent congregations on each occasion. A large supply of fruits, vegetables, and grains had been provided by some 25 local patrons and a few willing workers from the W. A. carried out the decoration of the church most tastefully and with real artistic skill. Mrs. Von Hess presided at the organ and solos were sung at each service by Master Theodore Robinson, Miss Thelma Greig also rendering a solo at the morning service. A very attractive item was the singing by the tiny children "Come to the little white church on the hill." The vicar spoke effectively at both services, his morning text being Gal. 6 and 10; and in the evening Ps. 103, 2. He voiced the thanks of the church to all parties who assisted in making the day a most successful one, and announced that the produce donated was to be sold in aid of the funds of the local hospital.

## QUICK NEWS

A daughter was born to Mrs. Chas. Kelly and a son to Mrs. J. Polmear this week.

Returns on grain vary greatly. While oats are light in quality they also run as low as half a ton to the acre. Still there are a few good crops of oats and one or two farmers have crops that should go 2 c. w. with a yield of 75 to 88 bushels per acre. Strange as it may seem these farmers wheat only runs 33 bushels to the acre but it will grade up as No. 1 and No. 2.

The stook threshing has been fine to date, but it has been raining some. Most of the stooks have been threshed, ed, Oct. 1.

What spuds have been dug are running from one ton per acre down, and ten tons is the usual yield. Occasionally a spot will be found where the yield is a little better, but four tons seem to be the high as yet.

For some reason onions did very well this year, and Mr. Greene has sold several sacks which he could not use himself. He had only a small plot.

Jim Beattie has finally located his missing stock.

W. H. Cocks lost a horse this week.

Sherlock Holmes is working on a clue in connection with the hi-jacking of a grand piano and the police are hot on the trail of the thief who got a roll of wire from the C. N. R. station.

W. L. Paddon is about to take a trip to Vancouver and while there he has fond hopes of meeting the guy who sold him those sacks.

The way chickens are disappearing we hope Chris, and Frank soon get on the job of thinning out the coyotes. Some people have gone out of poultry entirely because it was a losing game.

E. A. Mortimer is on his way to Stewart after a busy season with D. P. W.

The creeks are as dry as a bone and it must be hard on range stock unless they go to the river.

## Telkwa Tales

J. P. Wheeler and T. J. Thorp left by car on Monday morning for Vancouver where they will holiday for a few weeks.

Louis Schorn has completed his summer's work on Grouse mountain and is back in town for the winter.

A son was born this week to Mr. and Mrs. Taylor of Tyee Lake.

Cons. Berger and Spencer returned last Sunday after a ten day patrol.

The Telkwa nursing home is still without a nurse but it is expected that the position will be filled before winter sets in.

Local tie contractors are busy putting their camps in shape for the opening of the season.

B. M. Hoops has let a contract for an extension to his residence and the work is to start shortly.

Harvest services were held Sunday evening in the Anglican church and a full attendance was present. Rev. J. B. Gibson was the rector.

Frank Chettleborough and Jack

Howson returned from a ten day trip to the Copper river country. They report fishing good but game scarce.

The St. Stephens W. A. met at the home of Mrs. F. W. A. Mapleton last Tuesday afternoon.

The annual meeting and election of officers of the Telkwa nursing home auxiliary took place in the library on Monday evening. The officers were all re-elected for another term.

Mrs. John Goodwill entertained at bridge on Tuesday evening last. The prizes were won by Mr. Timmermeister and Mr. Chettleborough.

### NEW BISHOP FOR CALEDONIA.

Work of Local Clergy has Met With Success after a Long Hard Struggle

The following despatch will be of much interest, especially to all Anglicans in this northern interior district. "The desire of the Diocese of Caledonia for the appointment of a bishop met the approval of the Synod. It recommended the appointment, although the episcopal endowment funds have not reached the amount required by the regulations to produce an annual revenue of \$4,500 before a bishop can be appointed.

Archdeacon Rix, of Prince Rupert, however won the sympathy of the Assembly by a stirring recital of the heroism of the clergy and the scattered peoples to complete the funds. He pointed out that contributions promised or received for the Endowment Fund totalled \$83,000 of which the clergy of Caledonia were giving \$12,000 by voluntary payment from small salaries, and that despite conditions in England the British Missionary Society had made a generous contribution. The balance of the fund for Caledonia will be furnished by the Missionary Society.

THE MINERAL PROVINCE OF WESTERN CANADA

HAS PRODUCED MINERALS VALUED AS FOLLOWS:-

Placer Gold, \$78,018,548; Lode Gold, \$126,972,318; Silver, \$80,787,003; Lead, \$106,976,442; Copper, \$209,967,068; Zinc, \$50,512,557; Coal and Coke, \$284,699,133; Structural Materials and Miscellaneous Minerals, \$50,175,407; Making mineral production to the end of 1926 show

AN AGGREGATE VALUE OF \$988,108,470

The substantial progress of the mining industry in this province is strikingly illustrated in the following figures, which show the value of production for successive 5-year periods:

For all years to 1895, inclusive	\$ 94,547,241
For five years, 1896-1900	57,607,967
For five years, 1901-1905	96,507,968
For five years, 1906-1910	125,534,474
For five years, 1911-1915	142,072,603
For five years, 1916-1920	189,922,725
For five years 1921 to 1925	214,726,650
For 1926	67,188,842

PRODUCTION DURING LAST TEN YEARS, \$429,547,755

Lode mining has only been in progress about 25 years, and only about one-half of the Province has been prospected; 200,000 square miles of unexplored mineral bearing lands are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than any other Province in the Dominion or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees. Absolute titles are obtained by developing such properties, security of which is guaranteed by crown grants.

Practically all British Columbia mineral properties on which development work has been done are described in one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports covering each of the six Mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, which Building, Vancouver, B.C., are recommended as valuable sources of information.

Full information, together with mining reports and maps, may be obtained gratis by addressing

The Honourable The Minister of Mines  
VICTORIA, BRITISH COLUMBIA

### C. N. R. OFFICERS PROMOTED

Important Changes Made in the Colonization Department.

Winnipeg, October 1—Important alterations in the Colonization Department of the Canadian National Railways effecting promotions and transfers, have been announced by Dr. W. J. Black, director of the department at Ottawa. All promotions become effective October 1st.

Dan M. Johnston, for the past four

years western manager of the colonization and agricultural department at Winnipeg has been appointed European manager of the department for the Canadian National Railways with headquarters in London. Mr. Johnston is succeeded in Winnipeg by J. S. McGowan who has been assistant superintendent and assistant to the director of the department at Montreal.

E. H. Gurton, assistant to the western manager at Winnipeg succeeds Mr. McGowan at Montreal and W. E. Watson, divisional superintendent of colonization and agriculture at Saskatoon

is transferred to Winnipeg to become superintendent of farm employment. T. P. Devlin, assistant agricultural agent at Winnipeg replaces Mr. Watson as divisional superintendent at Saskatoon.

The Misses Scott left Monday night to continue their world tour. They spent several weeks in Hazelton and they expect to come back there again when the snow is on the ground and to experience a Christmas in winter.
